All Bertazzoni hoods are designed, engineered and made in Italy using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Powered by a 600 CFM motor with three power settings, this stainless steel canopy hood comes with baffle stainless steel filters, all easily removable and dishwasher safe, and an energy efficient LED light bar. Easily control all hood functions with the electronic controls, which include timer, filter saturation alarm and air-cleaning option.

All Bertazzoni appliances are covered by a 2-year warranty
