All Bertazzoni hoods are designed, engineered and made using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

The over-the-range microwave oven has 1.4 cubic feet capacity and a 300 CFM recirculating blower with 2 speed settings. The touch controls with LED display manage 10 power settings. The OTR is equipped with 2 LED surface lights to provide bright illumination of the cooking surface underneath.

All Bertazzoni appliances are covered by a 2-year warranty.
